The Board provided proper and timely notice of public hearing on this application by publication in the D.C. Register, and by mail to Advisor) Neighborhood Commission (ANC) 3C and to owners of property within 200 feet of the site.

As directed by 11 DCMR 3324.2, the Board has required the applicant to satisfy the burden of proving the elements which are necessary to establish the case for a special exception pursuant to 11 DCMR 206. No person or entity appeared at the public hearing in opposition to this application or otherwise requested to participate as a party in this proceeding. Accordingly, a decision by the Board to grant this application would not be adverse to any party.

Based upon the record before the Board, the Board concludes that the applicant has met the burden of proof, pursuant to 11 DCMR 3108, that the requested relief can be granted as being in harmony with the general purpose and intent of the Zoning Regulations and Map. The Board further concludes that granting the requested relief will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Map. It is therefore **ORDERED** that this application be **GRANTED, SUBJECT** to the following **CONDITION**:

1. This order shall be valid for **TWO YEARS**, provided, however, that this order shall expire as soon as the new arts and athletic building is completed and the classrooms in such building are available for occupancy.

Pursuant to 11 DCMR 3301.1, the Board has determined to waive the requirement of 11 DCMR 3331.3 that the order of the Board be accompanied by findings of fact and conclusions of law. The waiver will not prejudice the rights of any party, and is appropriate in this case.
